INDEPENDENT AUDITOR'S REPORT

Board of Directors Meals on Wheels PLUS of Manatee, Inc. Bradenton, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of Meals on Wheels PLUS of Manatee, Inc. (a non-profit organization) (the "Organization"), which comprise the statement of financial position as of December 31, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information, including the accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 24, 2020, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019

NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Meals on Wheels PLUS of Manatee, Inc. (the "Organization") is a not-for-profit organization that was formed to provide nutritional assistance and other supportive services in homes or in centers to needy people of Manatee County, Florida.

Significant accounting policies are as follows:

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, payables and other liabilities.

The accompanying financial statements have been prepared in conformity with the disclosure and display requirements of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958, *Not-for-Profit Entities*. Accordingly, net assets are reported in each of the following two classes: (1) net assets without donor restrictions, and (2) net assets with donor restrictions.

Net assets with donor restrictions are created only by donor-imposed restrictions on their use. All other net assets, including board-designated or appropriated amounts, are legally unrestricted and are reported as part of net assets without donor restrictions.

Revenue Recognition

The Organization receives grant revenue from the federal government, the state of Florida and other sources. Grants are cost reimbursable grants and are recorded as support to the extent that eligible costs are incurred during the grant contract period. Revenue from project income and meals are recognized as services are rendered. Rental income is recognized monthly under the terms of the lease with the tenant.

Management Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019

NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Grants and Accounts Receivable

Grants and accounts receivable are recorded at their net realizable value. Grants and accounts receivable are based on services performed prior to year-end, but not collected as of the statement of financial position date. Management considers all such amounts to be fully collectible.

Bequest Receivable

The bequest receivable is recorded based on an estimate of its net realizable value and management considers the amount recorded to be fully collectible.

Allowance for Doubtful Accounts

The Organization uses the allowance method to account for uncollectible grants and accounts receivable and promises to give. As of December 31, 2019, all receivables are considered fully collectible.

Cash and Cash Equivalents

The Organization considers all unrestricted, highly liquid investments with an initial maturity of three months or less to be cash equivalents.

The Organization maintains its cash in bank accounts which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk on cash and cash equivalents.

Contributions

Unconditional promises to give, cash and other assets are reported at estimated fair value at the date the promise is received. Conditional promises to give are recognized when the conditions are substantially met, and indications of intentions to give are reported at fair value at the date the gift is received. The gifts are reported as support with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Contributions with donor-imposed restrictions that are met in the same reporting period are reported as support with donor restrictions.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019

NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Inventories

Inventories consist of donated food and kitchen supplies. Kitchen supplies are stated at the lower of cost or market determined by the first-in, first-out method. Donated food is included in inventory at an industry standard valuation.

Property and Equipment

Property and equipment acquisitions in excess of \$1,000 are recorded at cost, estimated cost, or if donated, at fair value on the date of donation. Depreciation is provided over the estimated useful life of each class of depreciable assets and is computed using the straight-line method.

	Years
Buildings and improvements	7-25
Furniture and fixtures	3-10
Vehicles	5

Maintenance and repairs of property and equipment are charged to operations and major improvements are capitalized. Depreciation expense for the year ended December 31, 2019, was \$367,306.

Donated Materials, Dining Facilities and Services

All contributions are considered available for unrestricted use unless specifically restricted by the donor. Noncash contributions have been treated as in-kind contributions for purposes of meeting federal or state matching requirements. Donated materials, consisting primarily of food, are reflected in the accompanying financial statements at their estimated fair value at date of receipt. Donated building space is recorded at the fair rental value of comparable spaces. Volunteer mileage donated in connection with the home delivered meals program is recorded at the Organization's regular mileage reimbursement rate.

Numerous volunteers have donated significant amount of time to the Organization's various programs. No amounts have been recognized in the accompanying statement of activities because the criteria for recognition under generally accepted accounting principles have not been satisfied. Although no amounts have been reflected in the financial statements, management estimates the fair value of those services to be \$1,031,927 for the year ended December 31, 2019.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019

NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Organization qualifies as a charitable organization as defined by Internal Revenue Code Section 501(c)(3) and, accordingly is exempt from federal income taxes under Internal Revenue Code Section 501(a).

It is the Organization's policy to account for any uncertainties in income tax law in accordance with FASB ASC 740-10 Accounting for Uncertainty in Income Taxes. ASC 740-10 clarifies the accounting for uncertain income tax positions and requires that the Organization recognize the impact of such a tax position in its financial statements if, upon ultimate settlement, that position is more-likely-than-not to be sustained. Management has evaluated the Organization's tax positions and concluded that the Organization has maintained its tax-exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. As a result, no provision or liability for income taxes has been included in the financial statements.

Fair Value of Financial Instruments

The Organization has adopted FASB's fair value measurement and disclosure guidance, which provides a framework for measuring fair value under generally accepted accounting principles. This guidance applies to all financial instruments that are being measured and reported on a fair value basis.

Functional Allocation of Expenses

The costs of providing various programs and other activities and the administration of the Organization have been summarized on a functional basis in the statement of activities. Salaries and other expenses which are associated with a specific program are charged directly to that program. Administrative and general expenses and other expenses which benefit more than one program are allocated to the various programs based on the relative benefit provided.

Advertising

The Organization expenses advertising costs in the period incurred. For the year ended December 31, 2019, advertising costs totaled \$24,009.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019

NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Board Designated Net Assets

The Organization's Board of Directors has established an endowment fund with the objective of setting funds aside to be drawn upon in the event of financial distress or an immediate liquidity need. The Board designated endowment fund totaled \$153,516 at December 31, 2019.

Recently Issued and Adopted Accounting Pronouncements

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers*, which provides guidance for revenue recognition. This ASU's core principle is that an organization will recognize revenue when it transfers promised goods or services to customers in an amount that reflects consideration to which the organization expects to be entitled in exchange for those goods or services.

In June 2018, the FASB issued ASU No. 2018-08, Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made, which establishes standards for characterizing grants and similar contracts with resource providers as either exchange transactions or contributions.

The Organization adopted the new guidance in ASU No. 2014-09 and ASU No. 2018-08 as of January 1, 2019.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019

NOTE 2. LIQUIDITY AND AVAILABILITY

The Organization's working capital and cash flows have seasonal variations during the year attributable to the cash receipts for grants, special events and contributions. The Organization manages liquidity during the year by utilizing the following strategies: operating with a balanced budget which assumes collection of sufficient revenue via contributions, grants, and other sources to cover operating expenditures not covered by donor-restricted resources, regular analysis of actual operating results versus budget, and utilizing the line of credit when necessary.

The following table reflects the Organization's total financial assets as of December 31, 2019, and the amounts of those financial assets that could be made available within 12 months to meet operating expenditures:

Financial assets available to meet operating expenditures over the next 12 months

Cash	\$ 11,817
Grants and accounts receivable	249,262
Promises to give	726
Less: purpose restrictions included in cash	(5,538)
Financial assets available to meet operating expenditures	\$ 256,267

NOTE 3. PROMISES TO GIVE

Promises to give at December 31, 2019, are all due in less than one year and are recorded at their expected collectible value. Promises to give at December 31, 2019, totaled \$726.

NOTE 4. PROPERTY AND EQUIPMENT

Property and equipment consists of the following at December 31, 2019:

Land	\$ 906,807
Buildings and improvements	5,568,672
Furniture, fixtures and equipment	973,167
Vehicles	813,876
	8,262,522
Less accumulated depreciation	4,388,663
	\$ 3,873,859

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019

NOTE 5. FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Organization may use various methods including market, income and cost approaches. Based on these approaches, the Organization utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated or generally unobservable inputs. The Organization utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation techniques, the Organization is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values.

Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

- Level 1 Valuations for assets and liabilities traded in active exchange markets, such as the New York Stock Exchange. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.
- Level 2 Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third-party pricing services for identical or similar assets or liabilities.
- Level 3 Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models and similar techniques, and not based on market exchange, dealer or broker traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.

The level within the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value:

Endowment Fund

Common stocks, mutual funds, bond funds, and commodities: Valued based on quoted market prices, when available, or market prices provided by recognized broker dealers. If listed prices or quotes are not available, fair value is based upon externally developed models that use unobservable inputs due to the limited market activity of the instrument.

Private equity funds and alternative investments: Valued based on unobservable inputs (assumptions that market participants would use in pricing an asset) that reflects assumptions based on the best information available.

The following table presents the Organization's financial instruments measured at fair value on a recurring basis at December 31, 2019:

	Level 1	Level 2	Level 3	Total
Endowment				
Cash and cash equivalents	\$ 1,627	\$ -	\$ -	\$ 1,627
Common stock and equity mutual funds	169,707	-	-	169,707
Debt	64,380	-	-	64,380
Commodities	4,177	-	-	4,177
Absolute return	-	-	-	-
Real estate funds	21,245	-	-	21,245
Private equity funds	-	-	-	-
Public/hedged equity	-	-	-	-
Other alternatives	-	-	9,056	9,056
	\$ 261,136	\$ -	\$ 9,056	\$ 270,193

The endowment assets are held in an investment pool with the Manatee Community Foundation (Community Foundation). Like the other assets in the investment pool, the Level 3 assets were allocated to the Organization's endowment based on their proportion of the entire investment pool. The following is a reconciliation of the endowment assets in which significant unobservable inputs (Level 3) were used in determining their value at December 31, 2019:

Fair value, beginning of the year	\$ 12,587
Change in value of endowment assets	(3,531)
	\$ 9,056

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019

NOTE 6. LINE OF CREDIT

In May 2018, the Organization established a permanent line of credit signed on May 2, 2018, with a maturity date of May 1, 2020. The new permanent line of credit has an available balance of \$500,000 with an interest rate of prime minus .425%. This line is secured by a blanket lien on business real and personal property. At December 31, 2019, there was not an outstanding balance on the line of credit. Subsequent to year-end the line of credit was renewed with a new maturity date of May 1, 2021.

NOTE 7. LONG-TERM DEBT

Long-term debt consisted of the following at December 31, 2019:

Long-term debt due in monthly installments of \$7,513 including interest at 3.41% through February 2027, with a balloon payment due in March 2027. Debt is secured by a mortgage on the Renaissance on 9th building.	\$ 1,169,923
Long-term debt from Manatee Community Foundation due in monthly installments beginning March 2020 including interest at 3% through March 2024.	125,000
Long-term debt due in monthly installments of \$2,890 including interest at 3.41% through February 2027, with a balloon payment due in March 2027. Debt is secured	,
by a mortgage on adult day care center.	449,970
	1,744,893
Less current maturities	91,807
Less unamortized debt issuance costs	26,866
	\$ 1,626,220

Total interest expense for the year ended December 31, 2019, was \$64,351.

Subsequent to year-end, the loan from the Manatee Community Foundation, in the amount of \$125,000, was forgiven along with all related accrued interest.

The loan agreement above contains a financial covenant related to debt service coverage. The Organization was in compliance of this covenant at December 31, 2019.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019

NOTE 7. LONG-TERM DEBT (CONTINUED)

Aggregate maturities on the long-term debt at December 31, 2019, are as follows:

2020	:	\$	88,526
2021			97,380
2022			99,922
2023			102,554
2024			105,151
Thereafter			1,251,360
	\$	5	1,744,893

NOTE 8. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions of time or purpose at December 31, 2019, consist of the following:

Produce on Wheels	\$ 5,538
Endowment earnings	 37,902
	\$ 43,440

Net assets with donor restrictions of time or purpose consist of \$5,538 in cash and \$37,902 of endowment earnings.

NOTE 9. NET ASSETS RELEASED FROM RESTRICTIONS

Net assets were released from donor restrictions during 2019 by incurring expenses satisfying the restricted purposes specified by donors as follows:

Purpose restrictions accomplished:

Produce on Wheels	\$ 18,999
Food programs	23,000
Respite program	20,000
Cargo vans	56,380
Other	 10,773
	\$ 129,152

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019

NOTE 10. ENDOWMENTS

The Organization's endowment consists of one fund established for the needs of the Organization. The fund includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by accounting principles generally accepted in the United States (GAAP), net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Organization has interpreted the Florida Uniform Prudent Management of Institutional Funds Act (FUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restrictions: (a) the original value of the gift donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets with donor restrictions-perpetual is classified as net assets without donor restrictions-time and purpose until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by FUPMIFA.

In accordance with FUPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulated donor-restricted endowment funds:

- 1. The duration and preservation of the fund;
- 2. The purposes of the Organization and the donor-restricted endowment fund;
- 3. General economic conditions;
- 4. The possible effect of inflation and deflation;
- 5. The expected total return from income and the appreciation of investments;
- 6. Other resources of the Organization;
- 7. The investment policies of the Organization.

Endowment net asset composition by type of fund as of December 31, 2019, is as follows:

	With	out Donor		With Donor I	Restrict	tions	
	Re	strictions	Time	or Purpose	Pe	rpetuity	 Total
Donor-restricted endowment funds	\$	-	\$	37,902	\$	78,775	\$ 116,677
Board designated endowment funds		153,516		-		-	153,516
	\$	153,516	\$	37,902	\$	78,775	\$ 270,193

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019

NOTE 10. ENDOWMENTS (CONTINUED)

Changes in endowment net assets for the year ended December 31, 2019, are as follows:

		out Donor strictions	Time	With Donor F or Purpose	 ions rpetuity	Total
Endowment net assets,	_				 	
beginning of year	\$	113,274	\$	23,785	\$ 78,775	\$ 215,834
Investment return						
Interest and dividend income		4,261		2,169	-	6,430
Realized gains		755		384	-	1,139
Unrealized losses		23,712		12,066	-	35,778
Total investment return		28,728		14,619	-	43,347
Contributions and other income		12,500		-	-	12,500
Disbursements		-		-	-	-
Administrative fees		(986)		(502)	-	(1,488)
	\$	153,516	\$	37,902	\$ 78,775	\$ 270,193

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or FUPMIFA requires the Organization to retain as a fund of perpetual duration. There were no such deficiencies as of December 31, 2019.

The endowment fund is held by the Community Foundation. The Community Foundation invests the assets pursuant to its investment policy guidelines. Income is distributed to the Organization from time to time to be used as determined by the Organization's Board of Directors or reinvested into the endowment fund.

NOTE 11. EMPLOYEE BENEFIT PLANS

The Organization participates in a 401(k) employer defined contribution plan. Permanent employees who are at least 21 years old and who have met all eligibility requirements are eligible to participate. The percentage of employer contributions is approved annually by the Board of Directors. For the year ended December 31, 2019, the Organization made \$8,920 in matching contributions to the plan.

NOTE 12. DONATED MATERIALS, FACILITIES AND SERVICES

Donated items are included in revenues as follows:

Food to food bank	\$ 4,139,687
Adult day care	340
Congregate dining program	42,810
Home delivered meals	111,193
Senior enrichment center	10,240
	\$ 4,304,270

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019

NOTE 13. MATCH REQUIREMENTS

The Organization received a substantial portion of its support from the State of Florida, Department of Elder Affairs, under the Title III Older American Act Agreement (B, C-1, C-2 and E), providing transportation, congregate dining, adult day care, home delivered meals and family caregivers program to the elderly. This contract is renegotiated annually. Although a maximum amount is established during the negotiation process, revenue is earned on units of service provided and income can be recognized to the extent of the units provided. The contract required a 10% local match for certain services for the elderly. During the year ended December 31, 2019, local matching requirements were met.

NOTE 14. MAJOR SUPPORTER

For the year ended December 31, 2019, the Organization received approximately 19% of the total revenue, gains and other support from the federal government, primarily The U.S. Department of Health and Human Services. At December 31, 2019, accounts receivable from the federal government was \$204,514.

NOTE 15. SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through May 24, 2020, the date which the financial statements were available to be issued.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED DECEMBER 31, 2019

NOTE 1. BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes federal award activity of the Organization under programs of the federal government for the year ended December 31, 2019. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Organization.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- (1) Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
- (2) The Organization has elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR THE MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors Meals on Wheels PLUS of Manatee, Inc. Bradenton, Florida

Report on Compliance for the Major Federal Program

We have audited Meals on Wheels PLUS of Manatee, Inc.'s (the "Organization") compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on the Organization's major federal program for the year ended December 31, 2019. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on the Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2019.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Mauldin & Jerkins, LLC

Bradenton, Florida May 24, 2020

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Meals on Wheels PLUS of Manatee, Inc. Bradenton, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Meals on Wheels PLUS of Manatee, Inc. (the "Organization"), which comprise the statement of financial position as of December 31, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 24, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
